

2023 Pledge Card

The Bible teaches that giving is an act of thanks to God for His generosity and an act of faith that He will continue to provide. **Please return this card to Christ the King by 12/4.**

There are two possible ways to calculate your **Financial Pledge**:

- (1) **Percentage of Income** - in the Old Testament, God taught His people to give one-tenth of their income to support the ministry of the priests and the temple care for the needy. This practice was continued (and even exceeded) in the New Testament church. To calculate a tithe is simple: take your annual income and remove the final digit (e.g. - \$50,000 annual gross income becomes a \$5,000 pledge).
- (2) **Percentage of Budget Need** (helpful for those on a fixed income) - if all active families at Christ the King gave \$3000/year (\$250/month), we would easily meet our budgeted expenses for 2023. For comparison, this \$3000 pledge would be the equivalent of 10% tithing on a \$30,000 annual income.

To choose your **Time and Talent Pledge**, prayerfully consider those passions and skills that God has given you and indicate how you might use those to His glory and the growth of His Church.

With thanks to God for His many gifts, I/we prayerfully believe that God has called us to support His ministry through Christ the King in the following ways:

Name(s): _____

2023 Financial Pledge: _____ (yearly) **Envelope Number:** _____
(my offering will be given weekly monthly quarterly annually)

Time and Talent Pledge(s) for 2023 (mark all that apply)

Worship: Usher Greeter Reader Altar or Flowers Nursery Care Choir
