

Hurricane Helene Relief Coat Drive

Saturday November 23nd from 9am to Noon

At Christ the King Lutheran Church

85 Mount Pleasant Road Newtown, CT

Almost fifty days ago, hurricane Helene swept through the southeast leaving a path of catastrophic devastation. Much of the most serious damage and loss of life has occurred in Western North Carolina in the foothills of the Blue Ridge Mountains. Cities like Asheville, Bat Cave, Chimney Rock and Swannanoa were virtually cut off and have only recently been accessible. The Balancia Family (Kirsten and Rob) went down to North Carolina for a week in October to help bring supplies along with working for multiple days with Samaritan's Purse in Boone, NC.

After all of this destruction, it is now getting cold in the mountains of North Carolina, so we are shifting our efforts to a coat drive. We will ship these coats immediately down to the hardest hit areas in need!

We will be conducting a drive-thru Coat Drive at Christ The King Lutheran Church between the hours of 9am-Noon on Saturday November 23nd.

Please consider dropping off clean/lightly used coats or donating below so we can purchase new and thrift coats to ship and bring down. We look forward to Thanking you in person! Please give!
